

## WOMEN OWNED BUSINESS CERTIFICATION MENTOR

### Valuable business-enhancement certification

#### How It Can Help

Get the WBE/DBE Certification for preferred access to Government Contracts.

#### Detailed Description

Woman Business Enterprise (WBE) and Disadvantaged Business Enterprise (DBE) Certification Mentoring is a 10-week intensive mentoring program immersing companies in a highly engaged and interactive learning experience with experts in the certification process and topical specialists who help participants achieve success in submitting the application. Classes are both virtual and in-person with weekly working sessions, which provides time for the company assignment to complete by the next session.

#### How Much Does It Cost?

There is a \$550 course fee, however scholarships opportunities are available.
